chriscornell@temple.edu | (215) 450-1246

EDUCATION

Temple University, Philadelphia, PA

Bachelor of Science in Computer Science, May 2021

GPA: 3.85 | Dean's List

SKILLS

Programming: Java, C#, Python, HTML, RegEx

Technologies/Environments: Windows, Linux, Bash

EXPERIENCE

Camp Real Fun, LLC., Jamison, PA

Camp Counselor (July 2016 – Present)

- Assisted in directing daily summer camp activities
- Helped school-age children develop confidence and life-skills
- Responsible for child safety, planning, and janitorial duties

Aloha PK

System Administrator (February 2014 – August 2016)

- Remotely operated and maintained 14 high-performance Las Vegas based game servers using SSH.
- Gained experience with Unix shell and FTP/SSH protocols

PROJECTS

Supreme Bot (2017)

- Built a functioning application to monitor and respond to time-sensitive changes in webstore.
- Written in Java using Selenium framework and ChromeDriver to interact with webstore to automate and expediate the checkout process.

Aloha Manager (2014)

- Designed and implemented a UI-based game server management client in C#
- Client connected to specified Linux-based game server using FTP, pulled configuration file and parses JSON data into UI, then pushed user changes back.
- RegEx-based search function to read log files.
