EDUCATION

Temple University Honors, College of Science and Technology, Philadelphia, PA

Bachelor of Science, Expected Graduation: May 2021

Major: Computer Science

GPA: 3.44, Dean's List: Fall 2017

COURSEWORK COMPLETED

Data Structures

Computer Systems & Low-Level Programming

Mathematical Concepts in Computing I & II

Computational Probability and Statistics

TECHNICAL SKILLS

Languages: Java, JavaScript (ES6), TypeScript, React.js, Node.js, SQL, C#, Python, HTML

Technologies/Environments: Windows Desktop, Unix-Like Systems, Git, REST, PostgreSQL, Android Mobile Development

TECHNICAL EXPERIENCE

Habitat Logistics, Philadelphia, PA

Software Engineer Intern – Full Stack JavaScript (January 2019 – Present)

- Develop, test, and deploy features and improvements on the dispatch application using JavaScript (TypeScript) ES7, React.js, Node.js, Axios, and PostgreSQL
- Build and maintain custom, reusable React components
- Analyze and visualize large amounts of data to ensure efficient operation

Supreme Auto-Checkout (2017) – github.com/chris-cornell/SupremeBot

- Built an application to monitor, alert, and respond to time-sensitive changes in user-configured webstore pages
- Automated and expedited the checkout process for low-stock items, allowing the user to have higher checkout success rates
- Strengthened Java skills and learned Selenium's ChromeDriver for webpage interaction

Aloha Manager (2015)

- Designed and implemented a UI-based game server management client in C#
- RegEx-based search function to read log files
- Streamlined the configuration/maintenance process for the 14 game servers that I helped maintain at Aloha PK

WORK EXPERIENCE

Habitat Logistics, Philadelphia, PA

Bike Courier (October 2018 – December 2018)

- Work semi-autonomously to pick-up and deliver assigned orders to customers throughout the Philadelphia area
- Improved time management skills to ensure efficiency in deliveries

Camp Real Fun, LLC., Jamison, PA

Camp Counselor (July 2016 – June 2018)

- Acquired listening skills, empathy, and quick-thinking to adapt to campers' and parents' diverse needs
- Built a strong sense of community, working with other counselors to collaboratively resolve problems
