Chris Cornell

chriscornell@temple.edu | (215) 450-1246 | 1922 N 18th St #1B, Philadelphia, PA 19121 | chris.hachihut.net

EDUCATION

Temple University Honors, *College of Science and Technology*, Philadelphia, PA

Bachelor of Science, Expected Graduation: May 2021

Major: Computer Science

GPA: 3.4, Dean's List: Fall 2017

COURSEWORK COMPLETED

Introduction to Academics in Computer Science	Honors Calculus I
Mathematical Concepts in Computing I	Honors Calculus II

TECHNICAL SKILLS

Languages: Java, C#, Python, HTML

Technologies/Environments: Windows Desktop Environment, Android Mobile Development, Ubuntu, Git, SSH, FTP

RELEVANT EXPERIENCE

Supreme Auto-Checkout (2017) – github.com/chris-cornell/SupremeBot

- Built an application to monitor, alert, and respond to time-sensitive changes in webstore pages
- Automated and expedited the checkout process for low-stock items
- Written in Java using Selenium framework and ChromeDriver for webpage interaction

Aloha PK

Junior System Administrator (February 2014 – August 2016)

- Remotely operated and maintained 14 high-performance Las Vegas based game servers using SSH
- Gained experience with Unix shell and FTP/SSH protocols

Aloha Manager (2014)

- Designed and implemented a UI-based game server management client in C#
- Client connected to specified Linux-based game server using FTP, pulled configuration file and parses JSON data into UI, then push user changes back to server
- RegEx-based search function to read log files
- Successfully deployed a streamlined server management tool for system administrators.

WORK EXPERIENCE

Insomnia Cookies, Philadelphia, PA

Delivery Driver (February 2018 – August 2018)

- Deliver assigned orders to customers within Temple University and surrounding neighborhoods.

Camp Real Fun, LLC., Jamison, PA

Camp Counselor (July 2016 – August 2018)

- Assisted in directing daily summer camp activities
- Helped school-age children develop confidence and life-skills
- Responsible for child safety, planning, and janitorial duties
